

## INGEMANN OFFERS INTEGRATED SOLUTION FOR COCOA PRODUCTION IN NICARAGUA

Cocoa production is a business with great potential and Nicaragua offers optimal conditions to set-up long-term production of high quality cocoa:

- ✓ Adequate and affordable land
- ✓ Appropriate climate conditions – even long-term
- ✓ Good genetics
- ✓ Nicaragua recognized by ICCO as 100% Fine cocoa origin
- ✓ Available and attractive labor force
- ✓ Fiscal incentives
- ✓ Free trade agreements with major international markets

**Ingemann**, a Danish family company, offers a range of solutions to investors who are considering entering the cocoa business as a long term investment. Since its establishment in 2007 we have acquired a deep understanding of the business environment in Nicaragua and we now work to offer attractive investment packages.

### Our services include:

1. Support in feasibility study, incl.:
  - a. Detailed and elaborated financial information
  - b. Identification of suitable farms
2. Supply of grafted trees with genetic fine
3. Technical assistance with tested protocols
4. Training of local labor through our Academia de Cacao
5. Supply of inputs specifically designed for cocoa production
6. R&D in climate change mitigation
7. Access to some of the best post-harvest methodology worldwide
8. Guaranteed market access
9. Integrated farm management

**The investment process is very simple and with a very attractive return on investment.**
